

## Minutes of P.P.G. meeting at Highgate Surgery on Monday 29<sup>th</sup> June 2015 1pm

**Present** - Sheila, Liz, May Lakhani, Dr Sandhu, Linda

**Apologies** – Pat, Christine and Dave

This meeting was arranged to meet and greet our new GP, Dr Punam Sandhu.

May introduced Dr Sandhu and outlined the importance of the PPG for the practice.

Liz and Sheila elaborated on the work of the PPG over the years and what contributions it's made in the practice systems and services.

Liz also explained her role on the CCG board and the new and exciting projects that the PPG Network are working on.

May explained that Dr Sandhu will be working 7 sessions per week and has the clinical lead role as well. There will be ample appointments to cope with the increasing practice list size.

Dr Sandhu provided the team with details of her special interests which include dermatology and coils/implants – the surgery will commence a service once Dr Sandhu has settled in.
